Note: Your poster will be displayed on a table top. To make your travel to the conference easier, DDNA will provide you with a free white tri-fold corrugated display board that opens to 36" by 48". These display boards will be available at the conference registration booth. This way you just need to bring the text and graphics for your poster and assemble it at the conference. You must request this display board at least two weeks before the beginning date of the conference. To request the display board, email admin@ddna.org

Chapter/Network poster presenters are expected to register and pay for the conference and assume all arrangements and costs related to the poster session.
