Speaker Qualifications. (Please be succinct and focus on credentials related to this proposed presentation. Do not attach detailed bio sketches or CVs to this proposal.)

Vested Interests of Faculty

Having an interest in an organization does not prevent a speaker from making a presentation, but the audience must be informed of this relationship prior to the start of the activity and any potential conflict must be resolved. In order to ensure balance, independence, objectivity and scientific rigor at all programs, the planners and faculty must make full disclosure indicating whether the planner, faculty or content specialist and/or his/her immediate family members have any relationships with sources of commercial support, e.g. pharmaceutical companies. Biomedical device manufacturers and/or corporations whose products or services are related to pertinent therapeutic areas. All planners, faculty and content specialists participating in CE activities must disclose to the audience any:

- A. Relationship with companies who manufacture products used in the treatment of the subjects under discussion.
- B. Relationship between the planner, faculty, or content specialist and commercial supporter(s) of the activity and/or
- C. Intent to discuss unlabeled uses of a commercial product, or an investigational use of a product not yet approved for this purpose.

All information disclosed must be shared with the audience either on the program handouts, advertising and/or audiovisual presentation

- A. Is there a relationship with companies who manufacture products used in the treatment of the subjects under discussion:

Yes

No

If yes, please list the companies and type of relationship:

Relationship	Name of Commercial Company
Research Support
